

Dear Secondary Education Student:

The Sweethearts of the Gulf Coast Region of Iota Sweethearts Inc. are pleased to announce the inaugural of our Regional Scholarship Program in 2025!

Iota Sweethearts Incorporated is a 501(c3) organization, incorporated on September 26, 2014, that aims to provide educational, career, and personal development opportunities to its members while also improving the social, academic, and economic standings of the individuals in its surrounding communities. ISI also promotes scholarship and health and social awareness, as well as builds partnerships for collaborative efforts with other national and international Organizations.

As Iota Sweethearts, Inc., we continue to honor our "Eternal Sweetheart", the late Ms. Audrey S. Brooks, and establish this scholarship in the honor of the late Sweetheart Charlene Howard and the late Sweetheart Lakenbria Toney, who were advocates for education in their respective areas. Our scholarship, this year, will be awarded to one (1) student who have excelled in academics, community service, and extracurricular achievement.

We will award one (1) \$250 scholarship to an outstanding student who is enrolled in a Vocational/Technical school, junior college, or accredited College/University seeking a 4-year degree during the 2025-2026 academic year.

The application and its requirements are on our website. All required documentation must be submitted by April 15th, 2025. Applications may also be found on our website: [www.isigcr.com](http://www.isigcr.com).
